Coffee Tuesday on 12/18/18
Families - our next Coffee Tuesday meeting will be a presentation from our Chief Academic Officer Lauren Klaflky and our Lighthouse principals. They will be explaining what is LCAP which is the Local Control and Accountability Plan. This is an important meeting for parents to come and learn about our LCPS plan, and have a voice in this process. Join us! Coffee, tea, snacks, toys for toddlers and translation to Spanish will be provided. 8:45 am in the Family Resource Center.

Student Expo is Next Wednesday, Dec. 19th, 5pm - 7pm
Expo is a chance for students to display their work to the entire school, family, and outside the community. This is an opportunity for you to see the great work your child has been doing as well as check out what students across all grades are doing. Expo happens in December and June. This is a mandatory event. There is no After School Program on that day. Students in the After School Program will have an exhibition during the Expo in the Cafeteria. Make sure to make arrangements to have your child picked up by 1:30 pm and come back for the Expo that begins at 5 pm.

We understand that parking can be difficult and ask that you park on the street or across the street at the shopping center parking lot. Please do not park in the SPCA or neighboring businesses and please make sure to drive safely around our school (and have patience) as students and families might be crossing the street and it does get very dark. Let’s all help each other keep all of our families safe!
