Family Survey
Lighthouse family survey is open! We want to understand parent opinions, perspectives, attitudes, and perceptions towards Lighthouse, your students, and education to improve what we do here at Lighthouse. The results of our family survey help guide what the school focuses on in the next year. We care about what YOU think!

A HUGE THANK YOU to the 122 families that have filled it out since last week! Lighthouse has 482 families and we want all of you to share your voice with us! Please take time to fill out your survey by going to www.tinyurl.com/LCPSFamK12
