We invite you to bring a dish to share! (utensils, plates, and cups will be provided)

In the multipurpose room at Lighthouse Community Charter School 444 Hegenberger Rd, Oakland, CA 94621

Parking, Drop off and Dismissal

Parents for the safety of our community please do not double park and drop off or pick up your children on Hegenberger Loop by the High School entrance nor on Hegenberger Road. This is dangerous, as it backs up traffic into Hegenberger Road, as well as increases the chances of creating an accident. Students must be dropped off at the drop off area. We take the responsibility of your child seriously.

We understand that parking can be difficult and ask that families park on the street around the school or across the street where there are multiple parking lots.

Please do not park in the SPCA Parking Lot or Lighthouse Staff Parking Lot. Also, this school year we have added more staff members so please do not park in the Staff parking lot, our teachers and staff need parking so they can get to their classes on time.
