Upcoming events

Coffee Tuesday
This Tuesday, October 1st at 8:45 am in the Family Resource Center come join us at Coffee Tuesday to be in community with our High School Leadership Team.

Parent Mental Health Workshop

Wednesday, October 2nd, from 8:45 am to 10:00 am is our mental health workshop led by the Clinica de la Raza focused on Emotional and psychological Trauma.

Wednesday, October 16th, from 8:45 am to 10:00 am is our mental health workshop led by the Clinica de la Raza focused on Post-Traumatic Stress.

Mom’s Club

Friday at 2pm Come join us at Lighthouse Mothers/Grandmothers Club. This is a social club where mothers can build community, have fun and get support from one another. Meetings will happen the first Friday of every month (except during holidays) from 2:00 pm - 3:30 pm in the Family Resource Center. The group will decide what activities to do together throughout the year. Spanish translation will be available. This meeting we have a fun game planned and a community building activity as well and we will leave time to plan for our November club meeting.

Parking, Drop off and Dismissal

Parents for the safety of our community please do not double park and drop off or pick up your children on Hegenberger Loop by the High School entrance nor on Hegenberger Road. This is dangerous, as it backs up traffic into Hegenberger Road, as well as increases the chances of creating an accident. Students must be dropped off at the drop off area. We take the responsibility of your child seriously.

We understand that parking can be difficult and ask that families park on the street around the school or across the street where there are multiple parking lots.

Please do not park in the SPCA Parking Lot or Lighthouse Staff Parking Lot. Also, this school year we have added more staff members so please do not park in the Staff parking lot, our teachers and staff need parking so they can get to their classes on time.

Parents in Action

Parents in Action Meeting
Thursday, Oct. 3rd at 8:45 am & 6:00 pm
Come join us!
We will now have a family work day (Formally known as parent work day) every first Saturday of the Month. There will be different focuses each month.

For this upcoming date, October 5th from 9am-2pm, we will be focusing on disinfecting classrooms, door knobs and cleaning windows. If any family member has pressure washer that would be really helpful as we can use that to clean the windows and walls outside of the school.

So bring some squeegees, windex or clorox wipes to help us clean and disinfect our school!

*Please note that the school will have some cleaning supplies available but there might not be enough for all the volunteers, so if you would like to bring cleaning supplies to use while you volunteer, it is appreciated.
