Shoo the Flu

In efforts to keep our community healthy as the cold weather approaches, LCPS is participating in Shoo the Flu. This is a free program to our students and staff where nurses will be onsite to administer flu shots. - Tuesday, November 5th is the day of our event. - Only students with parent consent forms signed will be able to participate. - Shoo the flu only offers the shot, not the nasal spray. - If you did not receive a consent form at your child's SLC, please pick up a copy at the front desk or print following these links:

English consent form (link for this- http://shootheflu.org/.../English-2018-StF-Consent-Form-VIS.p...)

Spanish consent form (link for this- http://shootheflu.org/.../Spanish-2018-StF-Consent-Form-VIS.p...)

We are looking for about 3-4 parent volunteers to help us on this day. Volunteers are able to get the flu shot as well. If you’re interested, please email Arlene Aldrette at arlene.aldrette@lighthousecharter.org.

Parents in Action Meeting on November 7th Cancelled
Due to the High School Charter Renewal Public Hearing happening the night before on November 6th, we will be cancelling this month’s parents in action meeting on November 7th. We are asking that parent leaders attend the public hearing as a show of support for our High School. Please spread the word and invite others to show up and support our High School Renewal!
GET READY TO DEFEND YOUR RIGHT AND
YOUR STUDENTS RIGHT!

RISE UP LIGHTHOUSE COMMUNITY!
STAND UP FOR YOUR STUDENT! STAND UP FOR YOUR SCHOOL!

As you may know, our High School is up for renewal. Oakland Unified school district must approve our charter for another five years and we will present why we should continue in operation for another five years on November 6th at 7:30 pm at La Escuelita Elementary School, 1050 2nd Ave in Oakland.

Even if you might not have a student in the High School, next year our K-8 School will have to go through the same renewal process and we need to support each other.

We need you there!
We know that there is a possibility that anti-charter groups might be present which is why we need to show up together to defend our school. The more people there, the stronger our voices will be. We need to defend our school!

We hope to see you all on November 6th!

If you would like to learn more about the high school charter renewal process or if you have any questions, concerns or need a ride, please contact our community organizer, Shandel Aguilar at 510-927-7446.
