By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE)
SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, firstserved basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2023-24)

At Lighthouse Community Public Schools we believe that all young people have the potential to become lifelong changemakers who realize their unique vision-rooted in their identity, knowledge, and skills-to create equity in their own lives and in
the community, leading to a healthier, more joyful world. We are an innovative model for public education that puts each child
at the center of their own learning. The Lighthouse community is equal parts love and rigor where children discover their unique light within.

Lighthouse High is a College Preparatory option in East Oakland, CA with a track record of college going success. Our
program is designed to ensure all students complete A-G requirements within their four years at Lighthouse High School. As a
result, all students are eligible to apply to a CSU or UC by the time they graduate. Additionally, there is flexibility in our
schedule for juniors and seniors to participate in dual enrollment with community college classes.

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

LCPS facilities are inspected on a monthly basis by our Operations Team using a walkthrough and checklist system to ensure
that facilities are in good repair and that needed improvements are made.

## School Facility Good Repair Status

Using the most recently collected Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAA for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAA for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAA for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.
Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

## Career Technical Education (CTE) Programs (School Year 2022-23)

All students are part of a pathway. Every student will receive the benefit of being part of a Career Technical Education (CTE)
pathway. Students in the K-8 program participate in the Maker Program via Making Art \& Design. In doing so, all students are
active participants in building and shaping their worlds by looking closely at the world around them, exploring the complexity of
how objects or systems are designed, and designing opportunities to enact change in their environments to create a more just
and equitable world. This extends through grades 9-12 into a sequence of four Product Innovation and Design courses of our
CTE Pathway: 2D Design, 3D Design and Graphic Design.

Dual Enrollment classes at local community college. While in high school, students take college classes that count as high
school and college credit allowing students to graduate with their college career underway.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

## Opportunities for Parental Involvement (School Year 2023-24)

Families have the opportunity for formal leadership through participation in the LEA's SSC and ELAC, which provide important
input around the school's goals/priorities and the alignment of actions and funding towards those goals. In addition, there are
robust opportunities for families to be involved in partnering around their student's learning and progress, including Student-Led
Conferences (2-3x/year meetings between student, family, and advisor to discuss progress and set goals), Expos of student
learning, and Passages (a tradition that confirms students' readiness to move forwards in all realms of achievement at selected grade levels).-

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

## School Safety Plan (School Year 2023-24)

The LEA's school safety plan was last updated on October 5, 2022, and is updated annually by this date. The safety plan is
located here: https://lighthousecharter.org/about/accountability/
The LEA's Director of Operations, in collaboration with each site's Operations Manager and Site Admin, review and revise the
safety plan annually. This plan is reviewed with staff and a student representative during onboarding week in August with a
schedule of drills, refresher trainings, and practice sessions scheduled over the course of the year to ensure that the safety plan can be comprehensively implemented with fidelity across our schools.
The elements of the plan are as follows:
Section One: Administration
Purpose and Scope 2
Distribution and Training 2
Plan Format 2
Plan Revisions and Maintenance 3
Lines of Succession 3
Approval Statement 4
Authorities and References 5
Vital Records 7

## Types of Services Funded (Fiscal Year 2022-23)

2021-22 Types of Services Funded
LCPS provides the following additional services to support our students:
Students classified as EL receive Designated ELD.
Students with disabilities receive services as determined by their Individualized Education Plans (IEPs) as part of LCPS's full
inclusion model, which includes specific programming for students needing academic, speech, OT, mental health, behavioral, and social-emotional supports.
Students engage in After School Programming and Summer Programming funded through our ASSETs grant, with a large
focus on credit recovery and dual-enrollment.
Students participate in our CTE Pathway (funded by Measure N and the Strong Workforce Program).
