LCPS will undertake an examination of our salary levels at a minimum of every 3 years. We will examine the competitiveness of our salaries, state funding levels, and other aspects of compensation to determine whether adjustments may be made to the figures above. When possible, a COLA may be applied so that - in a given year - a returning teacher would gain the application of a COLA in addition to any increase associated with an additional year of experience.

In addition to salary, what else does LCPS provide in terms of total compensation?
At LCPS, we place value on Teaching in a variety of ways. While one's total compensation doesn't necessarily capture that full value, it helps to highlight the strategic ways in which we strive to support teaching at LCPS
