Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Lighthouse Community Public Schools (the School), a California nonprofit public benefit corporation, which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the School as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lighthouse Community Public Schools and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Change in Accounting Principle

As discussed in Note 1 to the financial statements, in 2023 the School adopted new accounting guidance for leases. The guidance requires lessees to recognize a right-of-use asset and corresponding liability for all operating and finance leases with lease terms greater than one year. Our opinion is not modified with response to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the School’s financial statements as a whole. The LCCS, LCCHS, Lodestar, CMO, Lodestar Facilities, LLC, Lighthouse Facilities, Inc., and Eliminations columns in the consolidated statements of financial position, activities, and cash flows as well as the supplementary information (as identified in the table of contents), and the accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and, except for the portion marked “unaudited,” was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole. The Local Education Agency Organization Structure, which is marked “unaudited,” has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated February 23, 2024 on our consideration of the School’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School’s internal control over financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Lighthouse Community Public Schools (the School) is a California nonprofit public benefit corporation. The School was approved by the state of California Department of Education on February 5, 2001. The School commenced operations as Lighthouse Community Charter Public Schools during the 2002-2003 fiscal year and changed its name to Lighthouse Community Public Schools in the 2016-2017 fiscal year. Currently, the School serves approximately 1,400 students in Kindergarten through Grade 12.

The School is comprised of the following sites:

- Lighthouse Community Charter School (LCCS)
- Lighthouse Community Charter High School (LCCHS)
- Lodestar: A Lighthouse Community Public School (Lodestar)

The mission of the School is to prepare a diverse, K-12 student population for college and a career of their choice by equipping each student with the skills, knowledge, and habits of mind to become a self-motivated, competent, lifelong learner.

The School is funded principally through state of California public education monies received through the California Department of Education and the Oakland Unified School District.

In July 2022, the School created two subsidiary LLCs called Lodestar Facilities, LLC and Lighthouse Facilities, LLC of which the School is the sole member. The LLCs were created to serve as title holding LLCs to for the benefit of the School.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of the School and Lodestar Facilities, LLC and Lighthouse Facilities, LLC. All significant intercompany accounts and transactions have been eliminated.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

Basis of Accounting

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

The School defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

Restricted Cash and Cash Equivalents

Restricted cash and cash equivalents include certain cash and cash equivalent balances that are maintained according to debt reserve requirements.

Functional Allocation of Expenses

Costs of providing the School's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit. The expenses that are allocated include salaries and wages, pension expense, other employee benefits, and payroll taxes, which are allocated on the basis of estimates of time and effort.

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2023. Management believes that all receivables are fully collectible; therefore, no provisions for uncollectible accounts were recorded.

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost, if purchased, or at estimated fair value, if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset. The School capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property Taxes

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the School is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

Compensated Absences

Accumulated unpaid employee vacation benefits are recognized as a liability of the School. The entire compensated absences liability is reported on the statement of financial position. Eleven-month employees are allocated seven days per year for compensated absences, and 12-month employees are allocated eight days. Employees can carry over up to three accrued days into the following year.

Revenue Recognition

Amounts received from the California Department of Education are conditional and recognized as revenue by the School based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

Contributions

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give (those with a measurable performance or other barrier and a right of return) are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

Conditional Grants

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when the School has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2023, the School has conditional grants of \$11,271,195 of which \$5,404,212 is recognized as Deferred Revenue in the statement of financial position.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The School is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The School files exempt organization returns in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Allocations Among Charter Schools

For the year ended June 30, 2023, the School has chosen to identify each charter school separately within the basic financial statements. In cases where specific-identification of each charter's activities was not possible between LCCS and LCCHS, items were allocated based on ADA at 64% and 36% for each site, respectively. In cases where specific identification of each charter's activities was not possible between LCCS, LCCHS, and Lodestar, items were allocated based on ADA at 35%, 20%, and 45%, respectively.

Evaluation of Subsequent Events

The School has evaluated subsequent events through February 23, 2024, the date these financial statements were available to be issued.

Leases

The School leases certain office space and land. The School determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use (ROU) assets, and operating lease liabilities on the statement of financial position. Finance leases are included in financing ROU assets, and lease liabilities – financing on the statement of financial position.

ROU assets represent the School's right to use an underlying asset for the lease term and lease liabilities represent the School's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. As most of leases do not provide an implicit rate, the School uses a risk-free rate based on the information available at commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain that the School will exercise that option. The School has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or ROU assets on the statement of financial position.

The School has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

LIGHTHOUSE COMMUNITY PUBLIC SCHOOLS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases (Continued)

In evaluating contracts to determine if they qualify as a lease, the School considers factors such as if the School has obtained substantially all of the rights to the underlying asset through exclusivity, if the School can direct the use of the asset by making decisions about how and for what purpose the asset will be used and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the School has elected to use a risk-free rate determined using a period comparable with that of the lease term for computing the present value of lease liabilities.

Adoption of New Accounting Standards

In February 2016, the FASB issued Accounting Standards Update 2016-02, *Leases* (ASC 842). The new standard increases transparency and comparability among organizations by requiring the recognition of ROU assets and lease liabilities on the statement of financial position. Most prominent of the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

The School adopted the requirements of the guidance effective July 1, 2022 and has elected to apply the provisions of this standard to the beginning of the period of adoption with certain practical expedients available.

The School has elected to adopt the package of practical expedients available in the year of adoption. The School has elected to adopt the available practical expedient to use hindsight in determining the lease term and in assessing impairment of the School's ROU assets.

The School elected the available practical expedients to account for existing capital leases and operating leases as finance leases and operating leases, respectively, under the new guidance, without reassessing (a) whether the contracts contain leases under the new standard, (b) whether classification of capital leases or operating leases would be different in accordance with the new guidance, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in the new guidance at lease commencement.

As a result of the adoption of the new lease accounting guidance, the School recognized on July 1, 2022 a ROU asset at the carrying amount of the lease asset of \$56,824,322. The School also recognized on July 1, 2022 a lease liability of \$56,824,322, which represents the present value of the remaining lease payments discounted using risk-free rates ranging from 2.79% to 3.11%.

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures were comprised of the following as of June 30, 2023:

Cash and Cash Equivalents	\$ 12,889,799
Accounts Receivable - Federal and State	3,750,780
Accounts Receivable - Other	248,237
Less: Net Assets With Donor Restrictions	<u>(83,567)</u>
Financial Assets Available for General Expenditure	<u><u>\$ 16,805,249</u></u>

As part of its liquidity management plan, the School monitors liquidity required and cash flows to meet operating needs on a monthly basis. The School structures its financial assets to be available as general expenditures, liabilities, and other obligations come due.

NOTE 3 CONCENTRATION OF CREDIT RISK

The School maintains cash balances held in banks and revolving funds, which are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC). At times, cash in these accounts exceeds the maximum insured amount. The School has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

NOTE 4 PROPERTY, PLANT, AND EQUIPMENT

Property, plant, and equipment in the accompanying financial statements is presented net of accumulated depreciation. The School capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000. Depreciation expense for the year ended June 30, 2023 was \$1,069,952.

Property, plant, and equipment as of June 30, 2023 are as follows:

Buildings	\$ 28,611,818
Furniture, Fixtures, and Equipment	799,504
Less: Accumulated Depreciation	<u>(3,162,037)</u>
Total Property, Plant, and Equipment	<u><u>\$ 26,249,285</u></u>

NOTE 5 EMPLOYEE RETIREMENT

The School has a 403(b) defined contribution plan for those employees who meet the eligibility criteria set forth in the plan. The School matches employee contributions based upon criteria set forth in the plan up to 8% of compensation. Contributions to the plan for the year ended June 30, 2023 totaled \$1,417,876.

Total Net Assets With Donor Restrictions	<u><u>\$ 83,567</u></u>

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or by occurrence of the passage of time or other events specified by the donors as follows for the year ended June 30:

Release of Restrictions	
Subject to Specific Purpose	
Kenneth Rainnin Foundation	\$ 76,000
Silicon Schools Fund	<u>90,000</u>
Total Release of Restrictions	<u><u>\$ 166,000</u></u>

NOTE 7 BONDS PAYABLE

On November 1, 2022, the LLCs obtained bond financing from the California School Finance Authority in the amount of \$26,865,000 (Series 2022A and Series 2022B bonds) to finance costs of the acquisition, construction, expansion, remodeling, renovation, improvement, furnishing, and equipping of certain charter school educational facilities. The bonds carry interest rates that vary from 6.25% to 7.50% and maturity dates from June 2042 to June 2062.

Future maturities of bonds payable are as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2024	\$ -
2025	-
2026	185,000
2027	195,000

NOTE 8 BANK LOAN ENHANCEMENT PROGRAM

The School obtained bond reserve funding through the bank loan enhancement program in the amount of \$1,927,206. The bank loan enhancement program is funded by a federal award from the U.S. Department of Education to the California School Finance Authority (CSFA) to fund credit enhancement for financings of charter school facilities. The funds were deposited with the trustee and are to be used by the trustee only if the School does not have any other legally available funds for debt service. The funds are to be returned to the CSFA by the trustee upon refinance or maturity of the bonds. There were no amounts used from this program during the year ended June 30, 2023.

NOTE 9 LEASES – ASC 842

The School leases certain operating and office facilities for various terms under long-term, non-cancelable lease agreements. The leases expire at various dates through 2092. Additionally, the agreements generally require the School to pay real estate taxes, insurance, and repairs.

The following table provides quantitative information concerning the School's lease for the year ended June 30, 2023:

	<u>Amount</u>
Lease Costs	
Operating Lease Costs	<u>\$ 1,342,893</u>
Total Lease Costs	<u>\$ 1,342,893</u>
Other Information:	
Operating Cash Flows from Operating Leases	1,222,156
Right-Of-Use Assets Obtained in Exchange for New Operating Lease Liabilities	56,824,322

NOTE 9 LEASES – ASC 842 (CONTINUED)

The School classifies the total undiscounted lease payments that are due in the next 12 months as current. A maturity analysis of annual undiscounted cash flows for lease liabilities as of June 30, 2023, is as follows:

<u>Year Ending June 30,</u>	<u>Operating Leases</u>
2024	\$ 2,003,396
2025	1,993,464
2026	1,993,464
2027	1,993,464
2028	1,993,464
Thereafter	127,581,696
Total Lease Payments	<u>137,558,948</u>
Less: Imputed Interest	<u>(80,821,847)</u>
Present Value of Lease Liabilities	<u>\$ 56,737,101</u>

NOTE 10 CONTINGENCIES, RISKS AND UNCERTAINTIES

The School has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

NOTES TO SUPPLEMENTARY INFORMATION
YEAR ENDED JUNE 30, 2023**

PURPOSE OF SCHEDULES

NOTE 1 SCHEDULE OF INSTRUCTIONAL TIME

This schedule presents information on the amount of instructional time offered by the School and whether the School complied with the provisions of California Education Code.

NOTE 2 SCHEDULE OF AVERAGE DAILY ATTENDANCE

Average daily attendance is a measurement of the number of pupils attending classes of the School. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels.

NOTE 3 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS

This schedule provides the information necessary to reconcile the net assets of the charter schools as reported on the Annual Financial Report form to the audited financial statements.

NOTE 4 SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the School under programs of the federal government for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of the Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of operations of the School, it is not intended to, and does not, present the financial position, changes in net assets, or cash flows of the School.

NOTE 5 INDIRECT COST RATE

The School has elected to use a rate other than the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Lighthouse Community Public Schools
Oakland, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Lighthouse Community Public Schools (the School), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, cash flows, and functional expenses for the year then ended, the related notes to the financial statements, and have issued our report thereon dated February 23, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the School's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

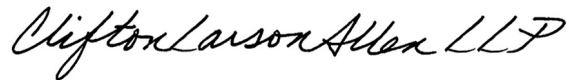

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH
MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

Board of Directors
Lighthouse Community Public Schools
Oakland, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Lighthouse Community Public Schools' (the School) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the School's major federal programs for the year ended June 30, 2023. The School's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the School complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the School's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance, which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as items 2023-001 and 2023-003. Our opinion on each major federal program is not modified with respect to these matters.

Government Auditing Standards requires the auditor to perform limited procedures on the School's response to the noncompliance findings identified in our compliance audit described in the accompanying schedule of findings and questioned costs. The School's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be significant deficiencies.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as items 2023-001 and 2023-003, to be significant deficiencies.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on the School's response to the internal control over compliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. The School's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON STATE COMPLIANCE AND REPORT ON INTERNAL CONTROL OVER STATE COMPLIANCE

Board of Directors
Lighthouse Community Public Schools
Oakland, California

Report on Compliance

Opinion on State Compliance

We have audited Lighthouse Community Public Schools's (the School) compliance with the types of compliance requirements applicable to the School described in the *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel for the year ended June 30, 2023. The School's applicable State compliance requirements are identified in the table below.

In our opinion, the School complied, in all material respects, with the compliance requirements referred to above that are applicable to the School for the year ended June 30, 2023.

Basis for Opinion

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Our responsibilities under those standards and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the School's state programs.

Auditors' Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of the government program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Compliance Requirements Tested

In connection with the audit referred to above, we selected and tested transactions and records to determine the School’s compliance with the laws and regulations applicable to the following items:

<u>Description</u>	<u>Procedures Performed</u>
School Districts, County Offices of Education, and Charter Schools:	
California Clean Energy Jobs Act	Not Applicable ¹

Not Applicable¹: The School did not have any expenditures for California Clean Energy Jobs Act in the year under audit or a completed project between 12 and 15 months prior to any month in the audit year.

Not Applicable²: The School did not report ADA pursuant to Education Code section 51749.5.

Not Applicable³: The School did not have any charter school subject to audit of immunizations as listed in the California Department of Public Health (CDPH) website as listed in the *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*.

Not Applicable⁴: The School did not report ADA for the audit year for transitional kindergarten.

Not Applicable⁵: The School did not report ADA to the CDE as generated through nonclassroom-based instruction (independent study).

Not Applicable⁶: The School did not report more than 20% of its ADA as generated through nonclassroom-based instruction (independent study).

Other Matters

The results of our audit procedures disclosed instances of noncompliance, which are required to be reported in accordance with *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* and which are described in the accompanying schedule of findings and questioned costs as items 2023-002. Our opinion on each state program is not modified with respect to this matter.

Government Auditing Standards requires the auditor to perform limited procedures on the School's response to the noncompliance findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The School's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be a significant deficiency.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention from those charged with governance. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2023-002, to be a significant deficiency.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on the Organization's response to the internal control over compliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. the Organization's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Board of Directors
Lighthouse Community Public Schools

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Accordingly, this report is not suitable for any other purpose.

Condition: During testing of procurement, we noted the School did not follow formal procedures methods required under 2 CFR section 200.320 for a contract with a vendor that resulted in payments totaling \$521,576 during the fiscal year 2022-2023.

Questioned Costs: No questioned costs.

Cause: Bids were obtained in 2019, however, a contract for 2022-2023 was signed without going through the formal bidding process due resource constraints and an increase in unduplicated count and enrollment that shifted the School's focus on support systems for the shift in demographic.

Effect: Noncompliance with 2 CFR Section 200.320.

Repeat Finding: Not a repeat finding.

Recommendation: We recommend the School follow federal procurement methods and establish monitoring procedures to ensure they are completed.

2023-002 Annual Instructional Minutes – Classroom Based 40000

Lodestar: A Lighthouse Community Charter Public School – 1783 (Lodestar)

Criteria or specific requirement: Pursuant to the provisions of subdivision (a)(1) of Education Code Section 47612.5, the minimum instructional minutes offered for grades K, 1-3, 4-8, and 9-12 should be 36,000, 50,400, 54,000, and 64,800, respectively.

Condition: One teacher at Lodestar that was sampled under mode of instruction testing did not have proper credentials for a portion of the school year. The instructional minutes offered for 9th, 10th, and 11th grade were reduced for the period the teacher did not have the proper credentials. This reduction resulted in pupils within the 9th, 10th, and 11th grade to be offered below the minimum instructional minutes required pursuant to Ed Code 47612.5(a)(1).

Cause: Monitoring of teacher credentials was insufficient to ensure compliance.

Effect: The School was not in compliance with Ed Code 47612.5(a)(1) for 9th, 10th, and 11th grade.

Questioned Costs: Pursuant to Ed Code Section 47612.5, the provisional reduction in apportionment calculated is as follows:

SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
YEAR ENDED JUNE 30, 2023**

The findings from the prior audit's schedule of findings and questioned costs are discussed below. The findings are numbered consistently with the numbers assigned in the prior year.

FINDINGS – FINANCIAL STATEMENT AUDIT

There were no financial statement findings in the prior year.

FINDINGS – FEDERAL AWARD PROGRAMS AUDITS

There were no federal award program audit findings in the prior year.

FINDINGS – STATE COMPLIANCE

2022-001 **Nonclassroom-Based Instruction/Independent Study** **40000**

LODESTAR: A LIGHTHOUSE COMMUNITY PUBLIC SCHOOL – 1783

Criteria: Per Education code section 51747, every written independent study agreement must contain signatures, no later than 30 days after the first day of independent study instruction or October 15, 2021, whichever comes later by the pupil, the pupil's parent, legal guardian or caregiver, the certificated employee who was designated as having responsibility for the general supervision of the pupil's independent study, and all other persons, if any, who had direct responsibility for providing assistance to the pupil.

Condition: During Nonclassroom-based instruction/independent study pupil testing we found that 1 pupil sampled from the attendance records in tenth grade started generating apportionment on September 20, 2021 however, did not contain all of the required signatures on the independent study master agreement until January 20, 2022. This exceeded the later or 30 days or October 15, 2021.

Cause: Return to in-person instruction from COVID complicated efforts to obtain all signatures by the required date.

Effect: The School is not in compliance with Education code section 51747 for the student sampled and over-reported ADA by 0.31 in its P2.

Questioned Costs: Decrease in apportionment of \$4,087.

Repeat Finding: This is not a repeat finding.

Status: Not applicable - the School did not report ADA to the CDE as generated through nonclassroom-based instruction (independent study) during the year ended June 30, 2023.

**LIGHTHOUSE COMMUNITY CHARTER SCHOOL – 0413 (LCCS)
LIGHTHOUSE COMMUNITY CHARTER HIGH SCHOOL – 0700 (LCCHS)
LODESTAR: A LIGHTHOUSE COMMUNITY PUBLIC SCHOOL – 1783 (Lodestar)**

Criteria: Education code section 42238.02(b)(2) requires a charter school to submit its enrolled free and reduced-price meal eligibility, foster youth and English learner pupil-level records for enrolled pupils using the California Longitudinal Pupil Achievement Data System (CALPADS). The CALPADS 1.17 and 1.18 reports should accurately report the number of students eligible for free and reduced-price meals and those identified as “English Learners”.

Condition: For LCCS – 0413, we noted three exceptions from our sample. One student was reported as Free however there was no supporting documentation to support the designation. Another student was reported as Free and one student was reported as Reduced however the supporting documentation indicated that both students were not eligible for Free or Reduced status.

For LCCHS – 0700, we noted one exception from our sample. One student was reported as Reduced however the supporting documentation indicated that the student was not eligible for Reduced status.

Lodestar – 1783, we noted two exceptions from our sample. Two students were reported as Free however there was no supporting documentation to support the designation.

Effect: The School is not in compliance with Education code section 42238.02(b)(2). The error identified above was extrapolated to the population of free and reduced eligible pupils and the 1.17 and 1.18 reports contained errors as follows:

Charter	Charter School Audit Adjustments to CALPADS Data								
	Original		Updated		Net Change		Supplemental Grant Funding		
	Enrollment Count	Unduplicated Pupil Count	Enrollment Count	Unduplicated Pupil Count	Enrollment Count	Unduplicated Pupil Count	Original Entitlement	Revised Entitlement	Adjustment
LCCS - 0413	531	496	531	467	-	(29)	750,896	735,697	(15,199)
LCCHS - 0700	313	291	313	282	-	(9)	499,120	493,572	(5,548)
Lodestar - 1783	669	598	669	579	-	(19)	887,131	876,849	(10,282)

Cause: This was a clerical error.

Questioned Costs: The error identified in the condition was extrapolated to the population of free and reduced eligible pupils and resulted in revised entitlement with a decrease of \$31,029 on supplemental grant funding which is used in the calculation of the LCFF entitlement.

Repeat Finding: This is not a repeat finding.

Status: Implemented.
