Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Lighthouse Community Public Schools (the School), a California nonprofit public benefit corporation, which comprise the consolidated statement of financial position as of June 30, 2025, and the related consolidated statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the School as of June 30, 2025, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lighthouse Community Public Schools and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the School's financial statements as a whole. The LCCS, LCCHS, Lodestar, CMO, Lodestar Facilities, LLC, Lighthouse Facilities, Inc., and Eliminations columns in the consolidated statements of financial position, activities, and cash flows as well as the supplementary information (as identified in the table of contents), and the accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the local education agency organization structure but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated December 9, 2025 on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Lighthouse Community Public Schools (the School) is a California nonprofit public benefit corporation. The School was approved by the state of California Department of Education on February 5, 2001. The School commenced operations as Lighthouse Community Charter Public Schools during the 2002-2003 fiscal year and changed its name to Lighthouse Community Public Schools in the 2016-2017 fiscal year. Currently, the School serves approximately 1,400 students in Kindergarten through Grade 12.

The School is comprised of the following sites:

- Lighthouse Community Charter School (LCCS)
- Lighthouse Community Charter High School (LCCHS)
- Lodestar: A Lighthouse Community Public School (Lodestar)

The mission of the School is to prepare a diverse, K-12 student population for college and a career of their choice by equipping each student with the skills, knowledge, and habits of mind to become a self-motivated, competent, lifelong learner.

The School is funded principally through state of California public education monies received through the California Department of Education and the Oakland Unified School District.

In July 2022, the School created two subsidiary LLCs called Lodestar Facilities, LLC and Lighthouse Facilities, LLC of which the School is the sole member. The LLCs were created to serve as title holding LLCs to for the benefit of the School.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of the School and Lodestar Facilities, LLC and Lighthouse Facilities, LLC. All significant intercompany accounts and transactions have been eliminated.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

Basis of Accounting

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

The School defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

Restricted Cash and Cash Equivalents

Restricted cash and cash equivalents include certain cash and cash equivalent balances that are maintained according to debt reserve requirements.

Functional Allocation of Expenses

Costs of providing the School's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit. The expenses that are allocated include salaries and wages, pension expense, other employee benefits, and payroll taxes, which are allocated on the basis of estimates of time and effort.

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2025. Management believes that all receivables are fully collectible; therefore, no provisions for uncollectible accounts were recorded.

Contributions Receivable

Unconditional promises to give expected to be received in one year or less are recorded as contributions receivable at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded as contributions receivable at fair market value at the date of the promise.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost, if purchased, or at estimated fair value, if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset. The School capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000.

Property Taxes

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the School is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

Compensated Absences

Accumulated unpaid employee vacation benefits are recognized as a liability of the School. Eleven-month employees are allocated seven days per year for compensated absences, and 12-month employees are allocated eight days. Employees can carry over up to three accrued days into the following year.

Revenue Recognition

Amounts received from the California Department of Education are conditional and recognized as revenue by the School based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

Contributions

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give (those with a measurable performance or other barrier and a right of return) are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Conditional Grants

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when the School has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2025, the School has conditional grants of \$10,420,717 of which \$5,610,628 is recognized as Deferred Revenue in the statement of financial position.

Income Taxes

The School is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The School files exempt organization returns in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Allocations Among Charter Schools

For the year ended June 30, 2025, the School has chosen to identify each charter school separately within the basic financial statements. In cases where specific identification of each charter's activities was not possible between LCCS, LCCHS, and Lodestar, items were allocated based on ADA.

Leases

The School leases certain office space and facilities. The School determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use (ROU) assets, and operating lease liabilities on the statement of financial position. Finance leases are included in financing ROU assets, and lease liabilities – financing on the statement of financial position.

ROU assets represent the School's right to use an underlying asset for the lease term and lease liabilities represent the School's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. As most of leases do not provide an implicit rate, the School uses a risk-free rate based on the information available at commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain that the School will exercise that option. The School has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or ROU assets on the statement of financial position.

LIGHTHOUSE COMMUNITY PUBLIC SCHOOLS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases (Continued)

The School has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

In evaluating contracts to determine if they qualify as a lease, the School considers factors such as if the School has obtained substantially all of the rights to the underlying asset through exclusivity, if the School can direct the use of the asset by making decisions about how and for what purpose the asset will be used and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the School has elected to use a risk-free rate determined using a period comparable with that of the lease term for computing the present value of lease liabilities.

Common Controlled Leasehold Improvements

For common control leasing arrangements, the School amortizes leasehold improvements over the useful life of the improvements (regardless of the lease term) while the School continues to use the underlying assets. Upon the termination of the lease, the School will transfer the residual value to the common control lessor. For all other leases, leasehold improvements are amortized over the shorter of the useful life of the asset or the lease term including renewal periods that are reasonably assured.

The unamortized cost of the leasehold improvements under the common control arrangement amounted to \$3,448,281 as of June 30, 2025. The expiration of the lease agreements is 47 years and the remaining estimated economic life of the improvements is 10 years.

Evaluation of Subsequent Events

The School has evaluated subsequent events through December 9, 2025, the date these financial statements were available to be issued.

LIGHTHOUSE COMMUNITY PUBLIC SCHOOLS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures were comprised of the following as of June 30, 2025:

Cash and Cash Equivalents	\$ 11,627,903
Accounts Receivable - Federal and State	4,615,929
Accounts Receivable - Other	51,923
Contributions Receivable	662,854
Less: Net Assets With Donor Restrictions	(19,810)
Financial Assets Available for General Expenditure	<u>\$ 16,938,799</u>

As part of its liquidity management plan, the School monitors liquidity required and cash flows to meet operating needs on a monthly basis. The School structures its financial assets to be available as general expenditures, liabilities, and other obligations come due.

NOTE 3 CONCENTRATION OF CREDIT RISK

The School maintains cash balances held in banks and revolving funds, which are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC). At times, cash in these accounts exceeds the maximum insured amount. The School has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

NOTE 4 PROPERTY, PLANT, AND EQUIPMENT

Property, plant, and equipment in the accompanying financial statements is presented net of accumulated depreciation. The School capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000. Depreciation expense for the year ended June 30, 2025 was \$1,498,233.

Property, plant, and equipment as of June 30, 2025 are as follows:

Buildings and Improvements	\$ 32,031,294
Construction in Progress	958,938
Furniture, Fixtures, and Equipment	799,504
Less: Accumulated Depreciation	(5,991,455)
Total Property, Plant, and Equipment	<u>\$ 27,798,281</u>

Lynn & Len Epstein	\$ 25,000
Total Release of Restrictions	<u>\$ 25,000</u>

NOTE 7 CONTRIBUTIONS RECEIVABLE

The bank loan enhancement program is funded by a federal award from the U.S. Department of Education to the California School Finance Authority (CSFA) to fund credit enhancement for financings of charter school facilities. The funds were deposited with the trustee and are to be used by the trustee only if the School does not have any other legally available funds for debt service. The funds are to be returned to the CSFA by the trustee upon refinance or maturity of the bonds. There were no amounts used from this program during the year ended June 30, 2025.

NOTE 10 LEASES

The School leases certain operating and office facilities for various terms under long-term, non-cancelable lease agreements. The leases expire at various dates through 2092. Additionally, the agreements generally require the School to pay real estate taxes, insurance, and repairs.

LIGHTHOUSE COMMUNITY PUBLIC SCHOOLS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025

NOTE 12 CONTINGENCIES, RISKS, AND UNCERTAINTIES

The School has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

Government grants are recognized when all conditions are met. During the year ended June 30, 2025, the School met the conditions and recognized the Employee Retention Credit (ERC) from the Internal Revenue Service (IRS) in the amount of \$3,017,487 in compliance with the program. The IRS may review funding eligibility for compliance with program requirements. The amount of liability, if any, from potential noncompliance cannot be determined with certainty; however, management is of the opinion that any review will not have a material adverse impact on the School's financial position.

In the normal course of business, the School is subject to legal claims. After consultation with the School's legal counsel, management of the School is of the opinion that liabilities, if any, arising from such claims would not have a material effect on the School's financial position.

NOTE 13 SUBSEQUENT EVENT

On August 12, 2025, Lighthouse Support Foundation (the Foundation) entered into a purchase and sale agreement with Light Keepers LLC for property currently being leased by Lighthouse Facilities LLC and subleased to the School.

On August 29, 2025, the Foundation entered into an agreement with Light Keepers LLC over the use and future sale or lease of the property indicated above where the Foundation agrees to use the property for improving educational outcomes of students in Oakland and to the extent in the future the School can no longer operate at the property and desires to lease or sell the property to a third party unrelated to the School. The proceeds from any lease or sale of the property must only be used by the Foundation to fund the School's operations, reserves and capital improvements and pay any debts owed by the School. If the School ceases operations, following payment of the School's debt and other financial obligations, any remaining proceeds from the lease or sale of the property will be donated to another non-profit institution with a mission of improving educational outcomes of students in Oakland.

On September 11, 2025, the Foundation purchased the property indicated above.

PURPOSE OF SCHEDULES

NOTE 1 SCHEDULE OF INSTRUCTIONAL TIME

This schedule presents information on the amount of instructional time offered by the School and whether the School complied with the provisions of California Education Code.

NOTE 2 SCHEDULE OF AVERAGE DAILY ATTENDANCE

Average daily attendance is a measurement of the number of pupils attending classes of the School. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels.

NOTE 3 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS

This schedule provides the information necessary to reconcile the net assets of the charter schools as reported on the Annual Financial Report form to the audited financial statements.

NOTE 4 SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the School under programs of the federal government for the year ended June 30, 2025. The information in this Schedule is presented in accordance with the requirements of the Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of operations of the School, it is not intended to, and does not, present the financial position, changes in net assets, or cash flows of the School. Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

NOTE 5 INDIRECT COST RATE

The School has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Lighthouse Community Public Schools
Oakland, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Lighthouse Community Public Schools (the School), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, cash flows, and functional expenses for the year then ended, the related notes to the financial statements, and have issued our report thereon dated December 9, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the School's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH
MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

Board of Directors
Lighthouse Community Public Schools
Oakland, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Lighthouse Community Public Schools' (the School) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the School's major federal programs for the year ended June 30, 2025. The School's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the School complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the School's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Board of Directors
Lighthouse Community Public Schools

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Auditors' Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and *2024-2025 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* will always detect material noncompliance when it exists.
