Dear Tina Hernandez:

At the Winter meeting of the Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC), action was taken to extend the accreditation for Lodestar: A Lighthouse Community Charter Public through June 30, 2027.

Accreditation status is conditioned upon Lodestar: A Lighthouse Community Charter Public's continued adherence with the ACS WASC policies, procedures, and criteria for accreditation. This includes a requirement that an accredited school annually contribute members to participate on visiting committees. Failure to maintain compliance with said policies, procedures, and standards is grounds for modification and/or withdrawal of the accreditation.

The Commission looks forward to Lodestar: A Lighthouse Community Charter Public's anticipated success and continuing improvement in keeping with ACS WASC's pursuit of excellence in elementary, secondary, and adult education.

Sincerely,

Barry R. Groves, Ed.D.
President
